## LAST MONTH'S EVENTS

We had a lot going on last month. We started with a Poker Run to the Amador Flower Farm, via a couple wineries - one of them even friendly! We had 11 cars and 16 members and friends, it was a very nice drive, with a fun picnic lunch at the end.

Then a week later a few of us drove to Cupertino for the Mopar Alley car show. We always try to support our fellow Mopar clubs, and it was nice to see new Mopars, and we also spread the news about our own show. The good news is that nearly everyone there knew of our show and many plan to attend. Yours truly took a second place there, being bumped out of the top convertible spot by a beautiful Chrysler 300. Club Secretary Nini brought home a First Place for her Modern Modified class!

After the excitement of Mopar Alley wore off, we tried another Poker Run, this time to the Coloma Gold Discovery site. Not only did we have a fun drive, we also learned about our local history, found 2 more great wineries, and a brewery too. 7 cars and 11 members and friends for that run. See elsewhere in this newsletter for more details.

And we welcomed in July with the Carmichael Independence Day Parade. I was a few displays ahead of the rest of the club, as I put the top down to carry the Mayor, but the main group of CCMopars and friends fielded a total of 13 vehicles - and we showed the crowd a good selection of classic and modern Mopars!

## THIS MONTH'S EVENTS

July started off with the Independence Day Parade - read about that over there <-----

Saturday will be the monthly CCM Brunch, at Leatherby's this month. They don't have any breakfast foods, but I have a hunch they'll make up for that.

Tuesday the 11th is our General Meeting, one week late so we didn't have to set our fireworks off in the museum. Come early for hot dogs and lemonade stand.

The middle of the month is used up by our Board Meeting on the 18 - everyone is welcome as always, and by the LunchBunch on the 26th.

At the end of the month, July 28, Friday, we'll be taking our cars to the California StateFair. Everyone in the car gets in for free, and we'll be showing our cars off to thousands of people. Call Cindy or Mark to sign up for this it's not too late.

Also not enough room in our "after" column, so I'll put it here: Planning is coming along nicely for our show in October. Richard and crew have secured Hagan Park, and are busy filling it. One area we've identified that needs improvement is the car show raffle, so we're asking each member to contribute one item for the raffle. Also we need sponsors, so if you can go out and solicit a bit, it can only make our show better. Just a little bit of work by EVERY CLUB MEMBER and our show will be an outstanding success!

## CAPITAL CITY MOPAR CLUB REALLY KNOWS HOW TO PUT ON EVENTS

Our poker runs are a fun way to get together, enjoy the scenery, do a little wine and beer tasting, munch on tasty snacks and have a picnic lunch with great car people.

And best of all it's Free! Being together trading stories and getting to know each other makes great memories, and with more stories to tell.

This is why we are a club and by making the effort to join in and participate in our events, you will be glad you did!

We recently went on two poker runs and plan to do more. Let us know where you would like the club to go next!

Our latest adventures brought us to:

### Amador Flower Farm - Poker Run June 3rd

The Capital City Mopars enjoyed a great Poker Run, to the Amador Flower Farm on Saturday, June 3rd. There were 11 cars, and 16 people (which included 8 CCM members and 8 friends of the club).

We started out on a beautiful day and cruised the California Gold Country foothills. Among the scenic roads we enjoyed seeing beautiful views, with wildlife and even spotted a Zamboni. Beginning in Plymouth, we then stopped at the Wilderotter Winery and the Terra de Oro Winery for tasting and poker card draws and visiting with friends.

The day ended at the Amador Flower Farm. Where we had a great picnic lunch and viewed the Day Lilies and other nursery items. Prizes were won for the highest and lowest poker hands. The weather was perfect, and visiting with the members and friends made it a most memorable time. Thank you to Mick Dadisman for leading this event, and taking us out on some awesome roads.

### Coloma Gold Rush – Poker Run June 25th

Another good time was had on the Coloma Gold Rush Poker Run on June 25th. With 7 cars and 11 people we enjoyed this scenic drive. We visited the beautiful David Girard Vineyards. Also stopped at the Gold Hill Vineyards and BarmHaus Brewery for tastings. Cruising along the shortest highway in California – Highway 153, and stopping for tasty snacks made it a great time.

We paused at the Gold discovery Site, where James Marshall discovered the gold in 1848, which started the famous California Gold Rush. This part of history is right in our backyard and a 'Must See.'

The day ended with another full picnic, and prizes were given to the High Hand and the High Low-ball hand. Stories were told and it was mentioned that this was the "Best Ever Poker Run". Thank you to Mark and Cindy for leading this event.
