*As California is moving out of the Covid-19 pandemic, we're beginning to re-start Club events, with General and Board Meetings, Lunch Bunch and Bunch Brunch.*

*The General meetings will again be at the CA Auto Museum on Front Street. When you join us, please understand we all still need to feel safe, so remember your precautions.*

*If you don't feel you can come out yet, please do stay in touch with your fellow CCM members by phone, e-mail, text.*

Well, it's all over. Although we had only 108 cars entered, we also had a good representation in the Swap Meet, good support from our Sponsors and Vendors, and a nice turnout for spectators too. The overall feeling is that it went very well, especially considering it was our first time at a brand new venue, and that the whole world is trying to recover from the plague, but doing it in fits and starts. All the participants seemed to enjoy themselves, and it was not the 100+ weather we've had to deal with in June these past years.

A big Thanks to everyone who came out and helped, before, during or after! We all made it go! A special shout to Mike, Ryan and Greg - you 3 were all over

the place, helping with anything and everything, all day long! And we even got a visit and some help from former Car Show Guru Tom, who drove all the way from Alabama just for our show!

I got lotssa good photos, if I do say so, on the pages of this newsletter are some of the highlights.

Till next year...

In Memoriam

Robert M. "Big Wizard" Archer, a CCM member since the early 90's, succumbed to pancreatic cancer last year. He was an avid hunter and fisherman, and an inveterate Mopar lover and competitor, drag racing his Valiant wagon or Autocrossing his 1969 Cuda coupe and later an "Executive" Aspen. Robbie graduated from McClatchy High School, winning the Sacramento Raceway High School Drags Season Points in his senior year.

He served in the U.S. Marines as a helicopter Crew Chief, and after his service operated a High Performance 4-WD Shop, competing in many off-road events, later became a construction supervisor for a Defense Contractor where he worked around the world, including many trips to Iraq and Afghanistan.

Robert served as ceremonial Fire Keeper for the Owl Creek Sundance on the Cheyenne River Reservation. He is sorely missed by his parents, (father Steve Archer is a current CCM member) and extended family in the Native American Community.

Robbie - You will be remembered by your friends and family, always.
