## CARMICHAEL INDEPENDENCE DAY PARADE

Despite the early hour and a warming day, CCM enjoyed a very good turnout of 7 CCM vehicles, augmented by 4 cars who found us via our Social Media sites (thanks to Ryan Durham for maintaining these) - who will hopefully like our club enough to join, and one Rambler that we found rambling along the way and invited him to join the parade too. It didn't go too well for Mr American Motors, as he heated up early on and had to drop out, but we still showed 12 beautiful Mopars to the parade-going public. A couple of our cars had trouble maintaining traction (you know who you are), and the crowd loved it! All in all, the consensus is that parades are a lot of fun, and we'll be looking for more to participate in. Thank you to Cindy Lenz for plowing through the logistics and paperwork to get us there.

## ROSEVILLE TUESDAY NIGHTS

It was a very hot day and evening, so attendance was down. But 4 or 5 of us got to show our rides among 50 or so very nice cars, has some good food and good music, as well as a chance to visit with club and other friends.

We tried this again just last week. Being the last night of the series, there was a better turnout despite the continuing heat wave. More good food, good music, good friends.

## SPYMAN CLASSICS JULY CAR SHOW

Well in June, someone close to my heart won Best of Show here, so several of us did it again. In spite of the heat we had a good time and made new friends. Cindy Lenz took a 3rd place with her ahem... honorary Mopar (Mustang). Through new friends made that night, we may be able to score a couple sponsorships for our show, and maybe a BBQ dinner if we bring our cars to the grand opening of a new BBQ joint, later this month. (keep your fingers crossed)

## CCM JULY BRUNCH MOVES ON TO AUGUST

Six of us got together and had a good brunch at Martha's Taquerie. We had good food and a nice visit.

I've been wondering if enough CCM Members were interested in this to continue, but at Martha's it was confirmed that there are. So we'll do it again on August 14 - Sunday this time, to accommodate members who keep their Saturdays busy. We'll meet at Brookfields Restaurant in Rancho Cordova (11135 Folsom Blvd) at 11am. Hope to see you there and bring your appetite!

(to get on the reminder call list, give your phone number to Mark)

Can YOU step up and coordinate this event? Or 2 or 3 people together?

Here's what's needed: Buy or get someone to buy (with Club funds) the food for the picnic, plus all the other picnic stuff - plates, napkins, etc.; get a couple BBQs to the park - or buy charcoal for the BBQs there; arrange for someone to get to the park early the morning of the picnic, to hold the space; get one or 2 people to man the BBQs; act as a host - greet people, be friendly; coordinate cleanup after, and see that everything goes back where it belongs after the picnic.

Not that much really, and it fulfills half your Membership requirement for the year.

If YOU can do this, hit up Mark 916-956-8863

Please use every opportunity to support these generous businesses in return by patronizing them when you can, recommending them to your friends and acquaintances, and mentioning their names in conversation.

# HELP WANTED

## EVERY CCM MEMBER IS REQUIRED TO HELP OUT WITH THE ANNUAL CAR SHOW

There's plenty of ways to help - Fundraising or gathering of raffle prizes and goodie bag items before the show - Publicity before the show - Setting up the day before and the morning of the show - Parking cars the morning of - Working the T-shirt or Raffle booth - Selling raffle fix among the entries - Helping with the Photography of the event and all the show cars - Clean-up at the end...

Richard Teerlink, our Car Show Leader, has many more jobs to do. It's not hard work, and it's fun. You get to be around friends and see all the nice cars - isn't all this why you joined our club??

One more note: Also a part of our show effort is judging the Mustangs at their show 2 weeks before ours. They come every year to judge our show - their unrelated and impartial judging is the reason CCM Members can this year enter their own cars in the show, just like everyone else! But in return, we need to go a good job of judging their show. This means we need at least a dozen volunteers to judge the Mustangs. This would also be a good way to take care of your Membership requirement if you cannot attend our show.

## CCM AT THE RACES

Last Saturday, we were invited to the All American Speedway in Roseville. Not for the races though (although we stayed for that too) we were invited to join the NorCal TNT club at the Speedway, and to carry the flag for the National Anthem, along with a few parade laps before the racing started. So here we are.

We were invited to come back and bring other CCM Members and cars, to do the same at another date. Unfortunately the date was October 1 (the day of our Car Show)

So hopefully we can set this up for another time. At any rate, it was fun!

# CCM AT THE CALIFORNIA STATE FAIR

Thursday, July 28, CCM was invited to show our cars at the California State Fair. We've done this before, and some members look forward to this each year - the free Fair entry and all the Fair food, as well as the chance to show our cars to potentially thousands of visitors.

This year we brought 11 vehicles to the show! Besides being a very good turnout (especially for a week day), we had a mixed bag of old, new, cars, trucks, show cars and race cars, truly something for everyone. The shiny cars caught everyone's eye of course - 3 old E-bodies brought by myself, Richard Teerlink, and Ken and Trish Granrud, and a trio of new Challengers and a Charger courtesy of Dave Parnham Nini Narayan and JD. Also Steve Archer and son and grandson brought their race car, a 1966 Valiant station wagon. Complete with slicks and six-pack, it got its share of the attention. Another crowd pleaser was Ryan Durham's (with his whole brood of 5 kids) big "tent truck", his Ram

Dually Deisel pickup, with tent mounted on top for 2-story camping. Ryan also brang his Durango for good measure, as I did my Ramcharger to show off the 4-wheel aspect. Bob Severin was frustrated by a crotchety 1941 clutch and an uncooperative 1938 fuel pump, so he and grandson brought his new Dart - the bright Hemi Orange stood out and drew a lot of people to our display.

Many thanks to Cindy Lenz for setting up our State Fair showing and for making sure we had the good showing we did.
