CAR SHOW A WEEK AWAY

Here we are, just about a week until our big show - Mopars in the Park - BACK IN HAGAN PARK !!

As of this writing we have approximately 70 entries pre-registered. This is double the numbers from last year and nearly as many as we ever have. Typically we get at least that many more in day-of-show entries, so with a little luck we'll be back to our pre-Covid numbers of 150-200 entries. Good news!

Last year we had a big jump in Swap participants, Vendors and Car Corral vehicles. We expect similar increases this year, as we've been advertising it heavily and talking it up every chance we get.

As you know, we need all hands on deck for this show. If you haven't signed up for a job yet, do it now - call Richard our car show guy, or myself. The phone numbers are right over there - on the car show poster. If you don't, expect a call from one of us.

Also, this month's General Meeting ★

(after the hot dogs) will start as close as we can to 7pm and will be almost totally dedicated to handling the last minute business of the car show. So please come if you possibly can.

I look forward to seeing you then!

Oh - and watch for us on Studio40 Tuesday noon-ish.

100 Year Old Dodge Fire Truck

This beautifully kept 1923 Dodge Fire Engine -- "Betsy" saw service in and around Rio Linda for several decades, until replaced by newer Dodges. Now a display and demonstration vehicle, she has not been restored, just

maintained in perfect running order by a succession of dedicated firefighters and volunteers. She will be on display at our October 7 show, many thanks to Terry and Charles, Sac Metro Fire and the Rio Linda station.
